

# HOME COMFORT AGREEMENT

Since 1888, AFC has worked tirelessly to build a reputation of providing dependable and professional service. With that in mind, we are happy to offer customers in Central Maine our wide selection of Comfort Agreements.

Each plan is designed to protect your investment, ensure efficiency and guarantee prompt service in the event of an emergency. All plans include an annual system inspection to ensure your system is working safely and efficiently, free diagnosis of system issues, discounts on all AFC services, and same day priority scheduling for emergencies. As a bonus, all work performed by AFC technicians is covered by our 5-star Comfort Guarantee - all workmanship is guaranteed for a period of one year. That's parts and labor, in addition to manufacturer's warranties!
